

OFFICIAL MEMBERSHIP SIGN-UP FORM

The cost to become a member of the Committee is \$35 per year for non-rowers and \$50 per year for rowers. Committee member benefits include an invitation to all events held throughout the year.

Our 2007 schedule will include the elimination race events and annual cookouts, a Canadian Reception event, boat cruise and awards ceremony held during the week of the Gloucester International Dory Races, as well as an invitation to attend the Lunenburg racing festivities in Nova Scotia. We are also planning weekly youth racing and a “ten pound island” race for 2007. This is a unique opportunity to be a part of a 54 year old Gloucester tradition.

Rower member benefits include all of the committee member benefits plus 365 day per year access to practice dories at the Town Landing dock. Invitation to participate in all Committee sponsored races and approved use of dories for other non-Committee sponsored races, “expense” paid trip to Nova Scotia, Canada for winners of all 4 divisions (*Junior Men 18 years and under, Women, Men over 40, & Men open*) in August 2007, and inclusion in our mentor program to help new rowers learn proper dory rowing techniques.
